

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**Telecommunications Division
Carrier Branch****RESOLUTION T-16769
February 11, 2004****R E S O L U T I O N****Resolution T-16769. Voluntary Revocation of Certificates of Public Convenience and Necessity of Thirteen (13) Telecommunications Carriers.**

Summary

This resolution revokes, at the request of the companies, the wireless carrier (CER), Non-Dominant Interexchange Carrier (IEC/IER) and Competitive Local Carrier (CLC) Certificates of Public Convenience and Necessity (CPCNs) held by the twelve companies listed in the Discussion Section.

Background

The 13 companies listed in the Discussion section below were certificated by the Commission in the specified markets. All required tariffs were filed.

Each company has stated in a letter or advice letter to the Commission that it no longer has any customers and that it requests revocation of its CPCN.

Discussion

The companies that would be revoked by this resolution are the following:

	<u>Utility Type</u>	<u>CPCN#</u>	<u>Company Name</u>
1.	CER	4059	Missions Telecommunications Corp.
2.	CER	4299	OneStar Long Distance, Inc.
3.	IEC	5851	Univance Telecommunications, Inc.
4.	IEC	5913	Telephone Service, Inc.
5.	IEC/CLC	6064	A4 Data & Communications, LLC
6.	IER/CLR	6305	Essential.com
7.	IEC	6317	Totalaccess.com, Inc.
8.	CLR	6379	Enron Telecommunications, Inc.
9.	IER	6410	TeleDirect Telecommunications Group, LLC

10.	IEC	6443	T-NETIX Internet Sevices, Inc.
11.	IER	6513	Transport Communications
12.	IEC	6514	Pinnacles Long Distance
13.	IEC/CLC	6553	Lightwave Communications, LLC

Each of the above companies has sent either a letter or an advice letter to the Commission requesting revocation. There is no reason to deny this request since these companies report that they have no customers and there are about 300 wireless, 1,000 long distance, and 300 competitive local carriers authorized to do business in these markets.

The Telecommunications Division (TD) recommends that these requests for revocation be granted and that the companies' Utility Identification Numbers be cancelled. TD's Public Programs Branch has determined that the companies have paid all surcharges owed.

This is an uncontested matter in which the resolution grants the relief requested. Accordingly, pursuant to PU Code Section 311 (g)(2), the 30-day period for public review and comment is being waived.

Findings

1. The companies on the above list were certificated by the Commission in the indicated markets.
2. The companies requested by letter or advice letter that their CPCNs be revoked.
3. The companies' CPCNs should be revoked and their Utility Identification Numbers should be cancelled in cases where they hold no other CPCNs.

THEREFORE, IT IS ORDERED that:

1. The Certificates of Public Convenience and Necessity granted to the following companies are revoked:

	<u>Utility Type</u>	<u>CPCN#</u>	<u>Company Name</u>
1.	CER	4059	Missions Telecommunications Corp.
2.	CER	4299	OneStar Long Distance, Inc.
3.	IEC	5851	Univance Telecommunications, Inc.
4.	IEC	5913	Telephone Service, Inc.
5.	IEC/CLC	6064	A4 Data & Communications, LLC
6.	IER/CLR	6305	Essential.com
7.	IEC	6317	Totalaccess.com, Inc.
8.	CLR	6379	Enron Telecommunications, Inc.
9.	IER	6410	TeleDirect Telecommunications Group, LLC
10.	IEC	6443	T-NETIX Internet Sevices, Inc.
11.	IER	6513	Transport Communications
12.	IEC	6514	Pinnacles Long Distance
13.	IEC/CLC	6553	Lightwave Communications, LLC

2. The companies' Utility Identification Numbers are canceled (in the cases where they hold no other CPCNs) and will not be reissued.

This Resolution is effective today.

I hereby certify that this Resolution was adopted by the Public Utilities Commission at its regular meeting on February 11, 2004. The following Commissioners approved it:

/s/ WILLIAM AHERN

WILLIAM AHERN
Executive Director

MICHAEL R. PEEVEY
